

Date: August 16th, 2024

MetaWatch version 4.0.0 and later will not support the DCS-7130 Series affected products listed above. The products affected will continue to receive TAC support and software bug fixes with the supported MetaWatch versions through the end of support.

MetaWatch release trains up to and including version 3.12 will continue to be supported on the above products for the lifecycle of the respective release train.

Please refer to below links for the end of sale notice and migration paths for the above products.
