

Arista Networks announces the upcoming end of sale for the DCS-7130-48LS, part of the 7130 Series.

The products and part numbers covered by this announcement are listed below in Table 1. The last day to order the affected products is planned for 18 April 2023.

Customers with active support contracts for DCS-7130-48LS Series products will continue to receive support from Arista TAC (Technical Assistance Center) as long as the systems remain covered under a support contract and the dates listed in Table 2, the End-of-Life Milestones.

Migration Options

Customers affected by the End of Sales are encouraged to plan a migration to models that provide equivalent functionality or higher performance. The Arista DCS-7130-48LBS should be considered as an alternative depending on the nature of the networking requirements.

Affected Product	Sub SKUs	Description	Alternate Products
DCS-7130-48LS	-F, -R, #	Arista 7130 Series 48L with UltraScale VU7P-2 FPGA	DCS-7130-48LBS

Table 1: Affected Products and Part Numbers

Alternative products with enhanced functionality and increased scale are also available. Customers are requested to contact Arista sales for additional information on these alternatives.
